

DuraTote Stool

Named one of the
Best New Products
for 2010

by Tack n'Togs Magazine

Ideal for use around the barn or home, this combination stool and grooming box has a small internal tray that is perfect for storing clipper blades and braiding materials. Stool features a non-skid top with load capacity of up to 300 pounds. Stool fits securely over the tote and protects it from dust, weather and other elements.
