

3 QUART CALF BOTTLE

- Higher capacity bottle allows room to mix milk replacer powder with 2 quarts of water
- Big enough to accommodate the higher feeding amounts recommended by experts
- Bottle is made from strong, durable polyethylene which is approved by the FDA for use by animals
- Nipples are made of a special rubber formula to prolong life and improve pliability
- Bottle will fit standard Little Giant® nipples
- Available in both snap-on and screw-on

Includes graduation marks in both pints and liters

Also available in 2 quart

 **MADE IN THE USA**
